SECOND RESPONSE TO DECISION REFUSING STATUS UNDER 37 CFR 1.47(a)

Sir:

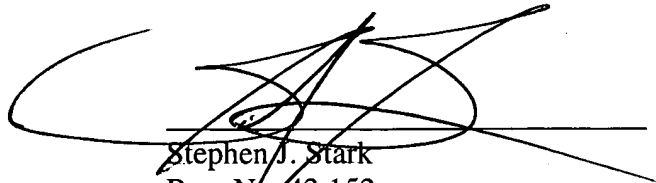

The Applicant has received the Decision dated October 18, 2004. Once again, the Petition was dismissed.

However, in the decision of October 18, 2004, a number of issues have been corrected, and the only remaining issue appears to be a missing element of 37 CFR 1.47(a)(2). Specifically, in the Declaration only one of the two inventors is named with the signature under 37 CFR 1.47(a). In the decision mailed October 18, 2004, it appears that the non-signing inventor still needs to be named although the signature block should be left blank.

Enclosed is the Declaration in the format as requested October 18, 2004. Accordingly, with this submission, the Petition is believed to finally be provided in an acceptable form.

The Applicant sincerely appreciates the Office's help in providing the necessary supplemental filings to provide an appropriate Petition.

Respectfully submitted,

Stephen J. Stark
